Candidate Statement of Qualifications

CITY OF: _____ Lake Forest _____
OFFICE SOUGHT: _____ Council Member _____
WARD/DISTRICT #: _____ N/A _____ (if applicable)

NAME: Scott Voigts

AGE:
(Optional)

OCCUPATION: Lake Forest Council Member

I would like to thank the people of Lake Forest for allowing me to serve as their Councilman these last four years. It was also a privilege to serve as Mayor last year.

Lake Forest has made great improvements in my first term, including:

- Adding 568 new businesses
- Adding 3,488 new jobs
- Reducing our unemployment rate to 3.1%.
- Increasing our occupancy rate to 95.4% in our business parks.
- Adding a new Sheriff's Department Substation.
- Authorizing the construction of our first Dog Park.
- Building our new 86 acre sports park.
- Synchronizing over 80% of our traffic signals.

This progress in Lake Forest is helping lead the county out of the great recession. We have begun to build a responsive, responsible, local government; that respects liberty, fosters growth and innovation, and promotes healthy living for all.

I have enjoyed meeting the many business owners and families in my first term and look forward to meeting many more as I continue to represent Lake Forest with conservative, pro-business principles which are based on my core values.

I pledge to continue striving to make Lake Forest a great place to live, work and play.

I humbly and respectfully ask for your vote this November.

Thank you and God Bless.
